**THURSDAY 3RD MAY**  
**Coffee Van**  
Hands On Careers Expo  
- Winton

Students were actively involved with face painting, the coffee stall and entertaining the crowds with their African drumming skills.

The coffee stall was very busy, well done to the team of workers, running a coffee van is certainly a way of learning how to work under pressure.

Well done to all staff and students involved with the Molyullah Sports Day. All students that attended, realised how much fun can be had at a community event. They also had the privilege to share their skills with the wider community.

There were lots of happy, colourful faces on the children running around, thanks to our enthusiastic team of face painters.

It was great to see the community joining in with our staff and students to create some very energising music.

**This year we are  
really pleased to  
have Cara at our  
school every  
Monday.**

## Live 4 Life

Well done to Benalla Flexible Learning Centre students for supporting the Benalla Live 4 Life Partnership Group by providing our Coffee stall for all to enjoy for the opening celebrations.

A group of our students led by the very talented Brianna Slattery also provided support to the African Drumming program.

**Thursday 26th April, 2018**

**Showgrounds, Shepparton**

Careers Day Out provides students with the opportunity to explore and interact with exhibitors, participate in career orientated activities and hear first hand from those in the industry through industry focused presentations.

Careers Day Out also incorporates the Nyuwandan Gatjabak Indigenous Careers Day to provide more opportunities for Indigenous and Torres Strait Islander students to engage and connect with local training providers, employers and industry groups.

Exhibitors include TAFE's, Universities, other training providers, industry associations, local industry, employers, employment and support agencies.
