Benalla Flexible Learning Centre's Stunning Trip To The Melbourne Arts Centre

Thoroughly Modern Millie

A wonderful opportunity for our performance students to view a vibrant live performance at the Melbourne Arts Centre. They also were lucky enough to go back stage and participate in a question answer forum with the cast members.

One The Bear

Thursday the 8th of August Shep FLC, Seymour FLC and BFLC's Year 9s and Music group had gone to Melbourne, Vic. Arts Centre by Benalla Bus Lines school bus to watch "One the Bear" and "Thoroughly Modern Millie".

Year 9 went to see "One the Bear" while the music group saw "Thoroughly Modern Millie"

"One the Bear" was alright in my opinion but I still don't know really what it was about so let's see what someone else says... "I think the play was good and I think it was about culture. I really enjoyed it" says Lynne, a fantastically helpful receptionist from BFLC.

After the show we had McDonald's for lunch, where we all discussed how much we enjoyed the shows and music.

Heide Excursion

Five Benalla FLC students had a wonderful opportunity to attend the Heide Museum and participate in a 3D Clay modelling workshop. The students created their designs on CAD software and then watched the finished product appear via a 3D printer. A very engaging process, both artistically and socially. Students again had the opportunity to get to know peers from our Shepparton Campus. Another successful collaboration within the North East Flexible Learning Network.

Thank you Shepparton FLC for your organisation.

Exercise in the great outdoors

Staff and students making the most of the lovely weather by testing out their ball handling skills.
