Hot Drinks for students

To cover the costs of Hot Milk Drinks, Benalla FLC is now proposing for students to pay \$5.00 per term to cover one hot drink per day.

Please give your \$5.00 to Lynne, so she can add you to the list of paid up students.

Tradie Talk Time

As part of our ongoing commitment to providing our students with every opportunity to reach their goals, we have been running 'Tradies in School' sessions.

This week we were happy to have a local plumber come in to talk to us about his business and to offer guidance to Kaleb, who is interested in a career as a gas fitter. Thank you to Stuart Green Plumbing!

Benalla Show

Congratulations to all students who entered items in the Benalla Show. There were a number of our entrants who came away with ribbons.

Paige	2nd for Decorated Cup Cakes, 2nd for Plain Cup Cakes & 1st for Banana Cake
Stephanie	1st and 2nd for Decorated Dolls
Bri	1st and 2nd for Mosaics
Serena	3rd, 4th & Highly commended for Art Work
Tara	1st for Drawing

Students took the AOK coffee van and found themselves to be very busy.

As they rotated their time at the coffee stall they also took advantage of seeing all the sights of the show, including trying their hand at wool judging. Many were very taken by all the different dog breeds on show.

STUDENT WORK

Waminda House Benalla

Waminda house is a community house which is in the country Victorian town of Benalla. The house is set especially for the community and not just the town residents but it is also available to everyone and that is why Waminda house is just so great in so many ways.

The house has many abilities and has private classes for anyone to take part in. The classes are most revolved around technology and is perfect for the older generation who may or may not have a good understanding about technology. That's ok because this is what Waminda house is for, to help the community and everyone around it.

Waminda house does more than that, it provides a fully functioning printer which is completely free to use if the use involves school or work.

Social things which can include printing a picture does have some kind of charge.

Food, tea and coffee is also available which is also free of charge. This is great for people who love enjoying a biscuit and coffee and they get to enjoy it without worrying about that extra cost and having to ask that painful question of "How much is this please?"

The house also provides referrals and help with things such as:

Finding a youth worker or maybe someone to help you if you are having some financial problems and also find a doctor and book an appointment for you if that is what you're looking for.

Waminda house can do so much more and these are some of things that this community house can do for you. PH (03) 5762 4528
