Message from Roger

This is my first opportunity to welcome everyone back to term 2. It has been a hectic start with all staff participating in 2 days of professional learning centered around “mental health” for young people.

As well as these two days, the term also began with public holidays for Easter and Anzac Day. Despite these interruptions, it was pleasing to note the great attendance of students on the other days.

The campus newsletter will be published each fortnight and I ask you to please check the information regarding important dates, activities and, enjoy the reports of the wonderful things your students are doing at the center. The newsletters will be posted onto the webpage, as soon as the construction of that site is completed.

The webpage will also include information about the Shepparton FLC, the staff, career opportunities and staff and student reports.

At this time of the year, we ask that students please wear clothes appropriate to the weather conditions and that appropriate footwear is worn. Should your child be unwell and unable to attend school, please contact us on 0427877113 and leave a voice message or a text message on the morning of the absence.

A list of upcoming activities is shown on the “important dates” list. Students should indicate at least a day before the activity that they wish to attend, as there is limited space on the center's bus. Again, I ask that students wear appropriate clothing for the activities they choose.

I would finally like to extend a warm thankyou to the parents and career's who completed the survey given out on the parent teacher night. The results of the survey are encouraging and have given insight for us to further develop the work we are doing with your children.
